Comprehensive Healthcare Services for Women and Children

At Embrace Mother & Child Care, we are committed to creating a lasting bond with every mother and child through compassionate, expert-led healthcare. From the start of your motherhood journey, through pregnancy, post-natal recovery, and beyond, we provide personalised care tailored to your unique needs.

Our approach goes beyond addressing immediate concerns—we ensure a seamless continuum of care that grows with you and your family. Whether supporting your well-being through life's changes or nurturing your child's development from infancy to adolescence, we are here for every stage.

Women's Health

Pre-Pregnancy, Pregnancy & Postnatal Care

♥ **Comprehensive Pre- and Post-Pregnancy Care**

- Prenatal Care: Screenings, ultrasounds, and nutritional advice for a healthy pregnancy
- Postnatal Care: Recovery programs, lactation support, and pelvic floor therapy for a smooth recovery

♥ **Preventive Health & Screenings**

- Regular breast and cervical cancer screenings
- General health check-ups for long-term wellness

♥ **Regenerative & Functional Health**

- Anti-aging treatments and wellness plans
- Hormonal therapy and diabetes management for optimal health

Care at every step

Women's Health

Wellness, Aesthetics & Preventive Care

Aesthetic & Dermatological Services

- Skin rejuvenation and non-surgical cosmetic treatments
- Facial and body contouring to boost confidence
- Functional and regenerative gynaecology

Aesthetic Gynaecology After Childbirth

- **Vaginal Rejuvenation:** Restores the appearance and function of the vaginal area
- **Laser Therapy:** Non-surgical solution for vaginal laxity, dryness, and urinary incontinence
- **PRP Therapy:** Tightens and tones through collagen stimulation
- **Scar Revision:** Minimises scars for improved aesthetics and comfort
- **Hormonal Therapy:** Restores hormonal balance and alleviates post-birth symptoms
- **Radiofrequency:** Enhances skin tone, boosts firmness, and improves overall appearance
- **Exosome Therapy:** Supports vaginal tissue repair and relieves discomfort

Mental Health & Emotional Support

- Therapy and counselling to manage emotional changes
- Support for mental well-being at all stages of life
